The 1966

WARHORSE

*Editor-in-Chief: Ginger Wallin
Business Manager: Alex Bowness*

Foreword

The year of 1965-66 is gone, but the memories will always remain a part of our lives. In the following pages is a story--the story of your year. The 1966 WARHORSE is a symbol of the wholesome activities, genuine fellowship, and true spirit of our ALMA MATER. To those who graduate this year, may it be a record of pleasant memories of the happy days spent together and an awakening, in all, of the everlasting spirit of OWEN HIGH.

Dedicated to . . .

MR. BILL STANLEY, by the class of '66, in appreciation for the encouragement, time, and effort he has put forth to help us in every way. His smiling face and friendly "Hi-dee, Hi-dee" have helped to make our year complete. Above all we want to thank him for bringing to Charles D. Owen the Fellowship of Christian Athletes, which has meant so much, in so many ways, to so many students.

Alma Mater

*Owen High, We're ever loyal to Thee,

Administration

Mr. Fred H. Martin, Principal

Mr. T. C. Roberson
County Superintendent

Mr. T. C. Roberson

Under the direction of Mr. T. C. Roberson, county superintendent, the schools of Buncombe County are operated and regulated together to improve the education system of our county. Mr. Roberson and the county administration, along with Mr. Martin and our faculty, spend many hours debating and trying to reach important decisions to benefit us. One result of this effort was the accreditation of Owen.

School Committee

The school committee is a group of citizens of the Black Mountain-Swannanoa area who work with Mr. Martin to obtain sound decisions on school policies. Through them, interest in the school is promoted in the community.

The Senior Class of 1966

LET US ADMIT IT

Let us admit it fairly as high school Seniors should:
We've had no end of lessons, and they've done us no end of good.
We entered as timid Freshmen, we leave as graduates bold,
And we find it hard to realize the knowledge our young heads hold.

We've had our foolish notions knocked higher than Franklin's kite;
Our minds have been made over, and we know it served us right.
We've spent four years in labor hard to prove the fact once more
That life is quite confused, and two and two are seldom four.

We're crammed to the brim with learning, and now we must turn it to use,
And if one of us is a failure, he hasn't a single excuse.
The more we work and the less we talk the better results we shall get,
For we've had four years of training; it may make us successes yet.

Let us admit it fairly as high school Seniors should:
We're proud of Owen High School; it's done us a lot of good.

The band plays a big part in the school year. During football season, they work several days a week after school preparing a half-time show for the game on Friday night. After the marching season is over, many hours are spent practicing to perfect the two concerts given each year, one at Christmas and the other in the spring. In the fall of this year they traveled to Bristol, Tennessee to participate in the Southeastern Band Festival bringing back a rating of excellent and a trophy for a job well done.
